Leanna Lindsey Hollis M.D.

Director Intercessory Prayer and Outreach

*Here's a glimpse of how God has used your partnership over the last three years to touch lives and expand the Kingdom:*

Team serving in Roatan, Honduras in July 2019 with Global missionaries James and Paula Anthony.

## Three years went by so fast!

Three years ago, God connected us through a new position at Global Outreach as Director of Intercessory Prayer and Outreach where I coordinate missionary-candidate prayer partners, prayer walks, weekly days of prayer and fasting, and monthly prayer calendars, as well as email prayer-related correspondence with missionaries and more. It's not "my" ministry. As God's led, we've followed together. Your vital partnership makes it all possible, and none of this would be possible without you:

- **Untapped Power Grid**, connects senior adults in long-term care facilities as prayer partners with missionaries in the field.
- **The Whisper Gathering**, a retreat for Christian women which addresses issues of sin and repentance in fresh, fun-filled, and life-changing ways.
- **Transforming Tupelo** ministers to troubled youth through Fellowship of Christian students, food distribution, scripture memory, reading assistance, and love and encouragement for teachers as well as participation with the local Career Expo event for area 8th graders.

Walls are up and ready for paint!

- **Help for Homeless** provideS and distributes personal hygiene items, water, snacks, and socks to those in need.
- **International Outreach** sometimes requires a stethoscope or a hammer, but always a Bible, a smile, and the love of Jesus.
- **Digital Outreach** includes a blog and mostly-daily devotionals available by email.
- **Written Words Outreach** includes Bible studies and a variety of Christian books.

Tired building team, Roatan Honduras

The **Whisper Gathering** in early September was an amazing weekend filled with worship, Bible teaching, repentance, introspection, fun, fellowship, and more. Whisper now offers Whisper Sisters quarterly fun-meetings and a spring Whisper Recharge mini-Whisper.

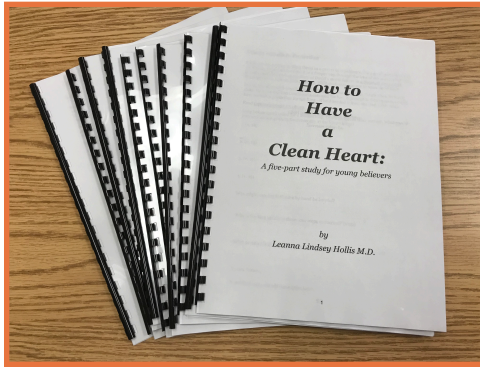

This group of prayer warriors at Generations recently joined the **Untapped Power Grid**. They're changing our world by praying for missionaries three times a day!

You can learn more about Whisper Gathering as well as register to attend upcoming events on our new website. Check out our digital home at: [www.whispergathering.com](http://www.whispergathering.com)

New believers (and those who want to grow in their faith) at both our local alternative schools (city and county) now receive a Disciple's Study Bible and a youth-friendly Bible study to help them learn about their faith and follow Christ as a disciple. These are available at no cost to the students or the school thanks to your generosity with the **Transforming Tupelo** program.

We're distributing food to hungry students again, too!

Our booth at **Career Expo** (above left) was a popular destination thanks to our Who Wants to Be a Missionary? Trivia game. Students could win candy and handmade Hand Fans (right). We made 500 fans but they weren't enough to supply the nearly 700 students with whom we had conversations over the three-day event. We knew the plan was working when students skipped the "cool" booths to hang out with us. Thanks to local youth and worship ministers and other volunteers who helped us reach out. The level of Biblical illiteracy was heartbreaking but the hunger for knowledge brought hope and joy.

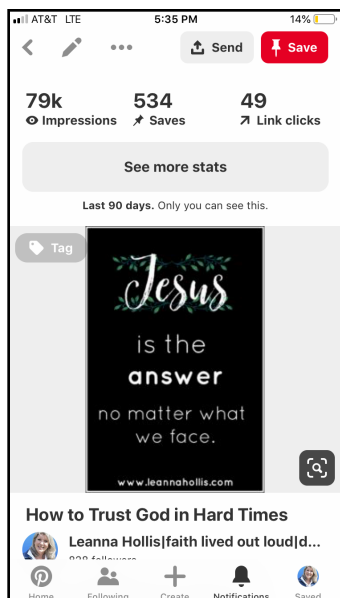

Your generosity with **Help for Homeless** provided 24 cases of water for Tupelo's homeless population this summer. (left)

We also packed 120 personal hygiene packs for distribution among the homeless and hopeless of Kensington Ave. in Philadelphia, PA.

**Digital outreach** in action: *"Jesus is the answer no matter what you face."* This simple pin brought 79,000 impressions.
