

News from the Prayer Path

Leanna Lindsey Hollis M.D.

Director Intercessory Prayer and Outreach

God works through your prayers, hands-on assistance, and generous financial support to change lives in so many ways. Thank you for allowing me join you in His beautiful, life-changing Kingdom work.

Your generosity at Christmas was simply astounding!

- 15 teachers *happy bags*
- 57 students *happy bags* (entire student body)
- 9 students received 2 stockings with gifts and snacks each, a hand-written personalized Christmas card with a \$10 gift card inside, and bags of food with more than 110 food items each

(We packed for 19 students but only 9 attended classes on the day of distribution. Some took holiday early—a common problem—so we distributed all the food among those who attended classes.)

It was my privilege to speak on “Does Prayer Matter?” at Traceway Assisted Living in Tupelo with Untapped Power Grid participants earlier this month. I recounted stories of God’s faithfulness in answered prayer. If you need a speaker, consider giving me a call. I have lots of prayer-stories and I’d love to share.

The Car God sent: Speaking of answered prayer...A cracked head gasket on my 14-yr old car left me driving a 1999 pick-up. My budget didn’t include room for a car payment but God gifted me with exactly what I needed. This new-to-me, low-mileage car arrived a few days ago via two dear friends who responded to God’s call to provide safe transportation. I thank God and my partners in ministry who saw a need and didn’t hesitate to meet it.
