*Here's a glimpse of how God is using your partnership to touch lives and expand the Kingdom:*

## **When the Body of Christ Works Together:**

Jesus intended the church, the body and bride of Christ, to love, serve, and work together, and you, sweet friends, are a beautiful picture of the perfect unity He intended. Believers from numerous congregations across northeast Mississippi recently gathered to pack 160 bags of hygiene products and pray for those who would distribute and those who would receive both bags and the good news of Jesus. VBS students from a local church gathered at Home Office to help prepare a teaching tool for a team headed to Nottingham England where we'll use the tool to share about our faith and the importance of repentance in knowing Christ and following Him. The students' first-hand experience with repentance fueled their enthusiasm to cut, laminate, and cut again! One boy prayed, "Thank you God for how good it feels when you lift the weight of our sin off our shoulders when we repent..."

**Donors** from across the Southeast sent an amazing amount of supplies

**Volunteers** from churches in the Tupelo area gathered to assemble hygiene packs and pray for those who will go and serve.

## When the Bible is left behind...

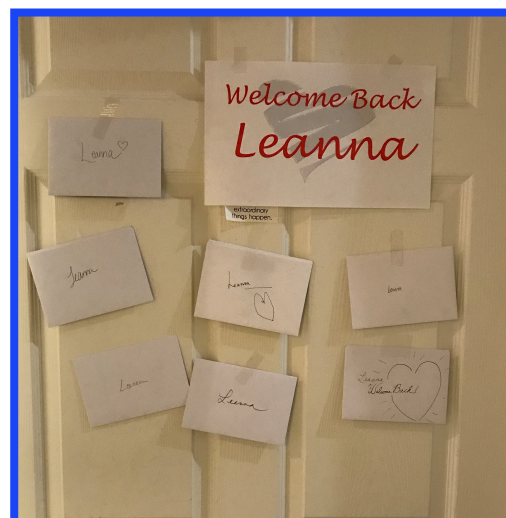

As part of the homeless outreach team, we recently hiked the woods looking for a homeless encampment. The abandoned site we found saddened us in many ways. In addition to a shocking amount of trash, a Bible was left behind on the bare ground. What if they'd opened the Scripture? Read truth? Allowed it to change their hearts and lives?

Friends, the Word of God has the power to open our eyes and transform our hearts. Let's be sure we allow God to use our own Bible study time to draw us closer to Him and make us more like Jesus.

*For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart. (Hebrews 4:12 niv)*

### Ways you can pray:

1. Your partnership in continuing ministry is invaluable. Thanks in advance for prayerfully considering how God would have you partner with us.
2. Upcoming mission trips to Nottingham 6/21-28 and Roatan, Honduras 7/13-21. It's a lot of travel in a short time.
3. Whisper Gathering 2019 registration opens soon.

Thank you to all who prayed for me after a minor wound on my finger became infected and required surgical intervention. Great doctors and nurses worked super-fast to correct the situation and restore function to my hand. Home Office staff surprised me with a door full of love and encouragement when I returned. I'm so grateful for the great team God's assembled at GO Home office!
