

News from the Prayer Path

Leanna Lindsey Hollis M.D.

Director Intercessory Prayer and Outreach

Here's a glimpse of how God has used your partnership over the last month to touch lives and expand the Kingdom:

Nottingham, England

I was blessed to join a wonderful group of friends from Calvary Baptist Church, Tupelo MS in June for a mission trip to Nottingham, England. We served through door-to-door evangelism, a community-wide outreach barbecue, and a Cultural Exchange Program with four elementary schools.

At the elementary schools, we shared American sports, music, and church. I served on the “church” team and shared the amazing ways God brings good from life’s most painful situations.

Arnold Road Evangelical Church has a passion for the lost and a deep commitment to share the truth of the gospel with every member of their community. I saw the value of door-to-door evangelism and learned new techniques for effective communication with “cold calls” to strangers. We had amazing conversations with people who’d never heard the truth of Jesus before.

Church members hosted us in their homes and loved us with open arms. They cooked almost every meal for us, including traditional English tea and their most iconic meals. Many of the members went out of their way to prepare special gluten-free foods for me, as well.

Stewart, a college student on holiday, served as my evangelism partner. His depth of knowledge, understanding of Scripture and love for the lost were simply amazing.

Marcia Neat, my “host mama.”

My first attempt on the harp.

We spent two days helping turn this structure into a building for a new church.

These sweet ladies feed 300 people every week from this kitchen. No a/c or hot water but lots of love for Jesus and others.

Roatan, Honduras: I've just returned from a mission trip to Roatan, Honduras with this group of friends from Hope Church, Tupelo. We served alongside R Church, local pastors, and GO missionaries as we helped three church plants build walls and hang sheet rock for a new building, build and paint benches, distribute food and hygiene packs at the dump, minister at the prison, and help with children's outreach and a meal at a tiny village church.
