

News from the Prayer Path

Leanna Lindsey Hollis M.D.

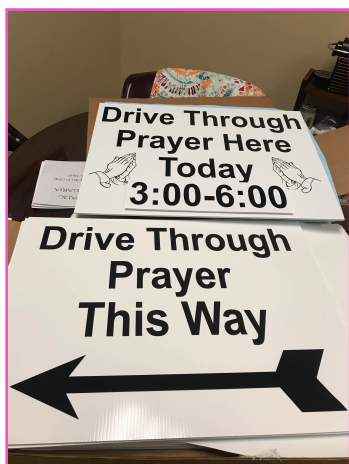

Director Intercessory Prayer and Outreach

We're in this together, friends, and you're a vital member of this team.

A recent session with these Awana students about modern-day miracles ended with a surprise. They prayed God would help them pack 400 packets in 30 minutes to distribute to those attending an upcoming Drive Through Prayer event. How did God answer? **They experienced a miracle of their own when they packed all the bags in 18 minutes!**

We can't have in-person Fellowship of Christian Student group meetings due to pandemic regulations but **you prayed and God opened an unexpected door** of opportunity. This young man (face blurred to protect his identity) recently decided to embark on a life-changing journey. We're **memorizing the Sermon on the Mount** together. He's enthusiastic and optimistic. It's a big job to memorize that much Scripture, but it's also guaranteed to change his life (and mine). **We're counting on your prayers** as we tackle this enormous project together.

Friends at White Hill MB Church invited me to participate in a Drive Through Prayer Event a few months ago. It was a time of encouragement, hope, and unity. Hope Church has the perfect parking lot for a second event and friends from White Hill are helping us with a **Drive Through Prayer event on Tuesday, February 16 from 3 pm - 6 pm**. We hope you'll stop by for prayer and invite your friends to join us, too. Everyone is welcome and **we hope to see people from every church in Tupelo**. We expect it to be encouraging, filled with hope, and lots of fun! **If you can't come, pray for those who do**. We hope it will be life-changing. (If your church is interested in participating or hosting an event, let me know. We'd love to see this grow and are happy to help.)

Your generosity makes weekly supplemental weekend food for students at risk of hunger at Tupelo Alternative School possible. We don't want to replace what their parents provide but hope to add an extra 500 or more calories per day. In addition, we include tracts, printed Bible games and printed Bible coloring sheets, feeding both body and soul.

Prayer and Potatoes Coming Up: Can God use sweet potatoes to bring people to Jesus? We'll soon find out. In partnership with the Hunger Coalition, **we'll distribute 2000 lbs. (Yes, one ton!) of sweet potatoes in low-income neighborhoods on February 12th.** We'd love your help as we hand out potatoes and pray with the people we serve so meet us in Hope Church's parking lot

Please pray for (and consider helping with):

1. The upcoming Prayer and Potatoes event
2. The Drive Through Prayer event
3. The weekly work of memorizing Scripture with our young friend, distributing food for students, designing and setting up prayer stations for a local church and so much more...
4. Pledged monthly financial support has improved, thanks to your generosity, but is still well below the monthly needs. Your help is greatly appreciated!
5. Missionary support through emails, virtual prayer walks, and more.
6. Plans are underway for future in-person Whisper Gathering events. Pray for wisdom and discernment about the effect of the pandemic and how to proceed safely.
7. If you haven't checked out PrayWithConfidence.com, please do. God is doing amazing things with this outreach. I love my role as one of the contributing writers.
