Your generosity of spirit, time, and finances have made an astounding impact in the Kingdom of God the last two months.

If you've wondered if digital outreach makes a difference, wonder no more. Pray With Confidence, an international prayer organization, launched their website launched less than two years ago with 40 women writers worldwide. Leanna is grateful and honored to be one of the writers. Today, **PWC has > 60,000 views per month and a total social media/email audience of 30,000+ followers.** It's amazing what God has accomplished in such a short time. Be sure to check out the articles on Leanna's PWC author page as well.

In addition to high-risk teen outreach (Fellowship of Christian students and Art Club), food distribution (weekend food and snack pantry), missionary care, prayer outreach, and online Bible studies, **your digital outreach is flourishing.** If you haven't checked out the completely redesigned website yet, now's a great time to take a look around. The new Resource Section (www.leannahollis.com/resources) is jam-packed with discipleship, prayer, and community outreach resources to help you live the disciple life more effectively. We offered exclusive only-during-launch-week free printable items but you can still access them on our VIP page: <https://leannahollis.com/launch-week-freebies/> Enter the passcode **Sunday** (case sensitive) to view and download. **Don't forget: You help extend our reach when you like and share the images/posts.**

After the long days of pandemic isolation, in-person Missionary Orientation and Training earlier this month was a special treat. **Your partnership provided in-depth training in prayer, one-on-one prayer sessions, hand-written prophetic blessings for each adult participant, daily Adventures in Prayer sessions for the missionary children and more during our week-long MOT.**

When in-person **Fellowship of Christian Students** resumed this month, your prayers were answered in amazing ways. High school students talked candidly about their struggles with anger and explored ways God can help.

With the middle schoolers, we experienced something we'll savor for years. During the gospel presentation by Chris Prather, the room was filled with a holy hush. Every student's eyes were riveted on Chris. Afterward, **eight of the ten students present expressed a desire to learn more about Jesus and follow Him.** Interest and desire aren't the same as changed lives and we have a long way to go, but it's a start. Pray as we plan follow up and mentoring.

The new Art Club held its first meeting this month. Dr. Max Hutcheson presented an excellent art and life lesson on drawing and perspective. Tom Wilson and Marcus Gary are also helping with art.

New Missionary Appointment Service is the highlight of MOT week and (at right) includes anointing with oil, laying on of hands, and washing of feet as a symbol that we at Home Office are here to serve them as they serve Jesus.
