## **Prayer for God's Blessings on the New Year:**

Dear God,

I thank you that you hear my prayers and respond to me when I call out to you. I want the blessing of knowing and following you. Forgive my sin and the times I've failed you. Help me to trust in You and Your Son to save me.

Give me the faith to seek You, obey You, and give generously as You direct in Your Word. Give me the willingness to honor and respect you. Remind me to choose my words wisely before I speak. I want the blessing of knowing you and the life you designed for me.

Help me to choose You ways in every decision I face.

In Jesus' powerful name,

Amen
